FIFTEEN CENTS

## Teachers, school board at odds

**A LION IN DOWNTOWN ANTIOCH?** There were lots of them on the streets last Friday and Saturday as the Antioch Lions Club held its annual Candy Days, trading motorists and pedestrians "life-savers" in exchange

for contributions to help the blind and visually handicapped. The Lion at the left is Steve Pirko; the one waving at you is - well under the costume, Harry Lindgren.

## Contract talks getting nowhere

By LINDA BARNES

The negotiating committee of Antioch's Grade School board walked out last Wednesday during a negotiating session with District 34 teachers.

The walk-out occurred when teachers brought to the meeting a professional union negotiator, Glen Smith, from Lake Villa.

The teachers maintain that a "professional negotiations agreement" made with the board at the onset of negotiations in April gives both sides the prerogative to use professional consultants.

**DR. DONALD SKIDMORE**, District 34 superintendent, acts as professional consultant for the school board. Up until last Wednesday, the teachers have chosen to come to the bargaining table without a professional consultant, a right they maintain they have always held.

According to Bruce Jablonski, chief spokesman for the board in negotiations, the board had informed teachers in April that they would not negotiate with a professional negotiator for the teachers in the room.

Jablonski says the reason for this is that board members want no outside influences in negotiation sessions.

"WE FEEL THAT we don't have to accept any outside influence by a person who has no vested interest in the district ... we feel we can negotiate with the teachers one on one," he said.

Teachers feel that negotiations meetings should be open to the public.

"We think the community should see what the school board is doing," says Rick Bryan, spokesman for district teachers.

The board is not in favor of making negotiation meetings public.

THE WALK-OUT FOLLOWED an incident last Continued on back page.

## Lions to hold Health Fair at high school

The Antioch Lions Club will sponsor a Mini-Health Fair Sunday from 10 a.m. to 3 p.m. at Antioch High School.

A number of health service tests will be available to all residents of the area. All testing will be free.

## 911 emergency number now being used

At 12:01 a.m. Monday, Antioch, Lake Villa and Lindenhurst joined the growing list of Illinois communities that use the universal emergency number, 911, to summon police, fire or medical help.

The 911 number is a hotline to a centralized emergency dispatch center where trained personnel will send help faster than was previously possible.

The 911 number is for emergency calls only. For non-emergency calls dial 395-8585.

THE NEW TELEPHONE directory, now being delivered, will show 911 as the emergency number for Antioch, Lake Villa and Lindenhurst, as well as listing non-emergency and administrative numbers for the villages.

Nine-one-one was chosen as the universal emergency

number because it is easy to remember and quick to dial. And should the need arise, it's easy to find in the dark on telephone dials.

Illinois Bell's local manager, Bill Kaucher, pointed out that callers will still receive emergency assistance by dialing "Operator."

"THE ADVANTAGE of dialing 911 over dialing '0' is that your call goes directly to the place where the help is dispatched," Kaucher said. "Our operators will, of course, continue to respond to emergencies."

"Another advantage," he said, "is that it is possible to reach 911 from a dial-tone coin phone even if you don't have any change."

A 1975 Illinois law requires that 911 be used statewide by 1985.

Eyesight screening, jointly sponsored by the Lions Club and the Vision Conservation Institute, will be available for persons three years or older.

THE SCREENING PROGRAM is called "Save Our Sight" and will include testing for depth perception, near and far vision, color perception, hyperopia, muscle balance and glaucoma (eye pressure).

The visiting Glaucoma Mobile Unit has screened more than 250,000 Illinois residents since 1969, identifying over 1,400 people with glaucoma.

The Lions' Mobile Hearing Service Unit will administer hearing tests.

THE HEARING UNIT will be staffed by local Lion volunteers, a clinical audiologist and a hearing technician. This is the first year the Hearing Service Unit is operating in Illinois.

Blood pressure tests, chest X-rays and diabetes tests will also be offered at the Mini-Health-Fair.

Drug abuse and cancer preventive information will be provided, too.

## New dialing setup for '396' phones

Illinois Bell will begin revised dialing procedures for North Antioch, Antioch and Lake Villa telephone users.

G.W. Kaucher, local Illinois Bell manager, explained the changes:

"At 12:01 a.m. on Saturday, Oct. 21, residents of North Antioch whose phone numbers begin with 396 will have to dial 10 digits to reach numbers in Antioch and Lake Villa. That is, they'll have to dial the area code, 312, and all seven digits of the telephone number they want to reach.

"ALSO, RESIDENTS of Antioch and Lake Villa whose phone numbers begin with 395 and 356 will have to dial 10 digits to reach numbers in North Antioch - area code 414 and all seven digits of the number."

Kaucher said the change in dialing is simply a

procedural one and will not affect customers' bills.

"Everyone's free-calling area stays the same," he said.

Kaucher said the change is necessary so that Illinois Bell can use the 396 telephone prefix in Illinois in the near future.

## Sharon wants fee paid for 'vanity plates'

"Illinois should follow the lead of other states and adopt a revenue-generating system for issuing vanity license plates."

This is the suggestion of Sharon Sharp, Republican candidate for secretary of state. In a Springfield news conference, she said:

"So long as the procedure for obtaining special license plates remains unclear, arbitrary and hidden from easy public scrutiny, the office of secretary of state is in the position of treating some people 'more equally' than others."

"Other states have generated additional revenue and insured equal treatment for every citizen by the simple expedient of making special plates available to anyone - for a fee."

"The revenue gain from such a plan in Illinois would be considerable. And there would no longer be any possibility that irregularities could occur or preferential treatment exist in issuing such plates."

"It should be completely obvious that our free vanity plates cost the state money. Instead of filling orders with the plates at hand, clerks must make a special search for every vanity plate to match it with the request. The same clerks can fill routine requests far more quickly and less expensively. Requests for plates requiring special handling should require a special fee."

"California, Texas and Florida have gone to a fee system. It's time for Illinois to adopt such a plan."

Michigan got its name from an Indian word meaning "great lake."

## Letters to the Editor

### To The Editor:

Teachers have, as a whole, received very poor publicity in the last few years. The Antioch District 34 elementary and junior high teachers have been responsible employees who have always reported to work even when there has been no signed contract. Perhaps the public is interested in what the teachers do, rather than what they do not do.

Teachers give a great amount of personal time to their jobs. Many arrive early and leave late. These hours before and after school are spent planning projects and programs, grading papers, changing bulletin boards, helping students, and conferring with parents. Teachers donate days before school opens to prepare their classrooms. At home, papers are graded and recorded, educational materials made, and special lessons planned. This is the teacher's own time. This extra time means the difference between effective, creative teaching and merely adequate instruction for your child.

Salary is based and paid on 185 days of teaching, with no paid vacations. Even though salary increases have not kept pace with inflation, teachers still spend many dollars out of their own pockets for job related materials. Look around the classrooms at educational games, art projects, science activities, resource books, and other instructional materials. Then ask how much these materials cost the teacher in money and in time.

District 34 teachers are doing their best to provide quality education for the children of Antioch. To this date, these teachers are working without a contract.

## Criticizes school board in teacher negotiations

### Editor:

As an Antioch parent I'm concerned, more than anything, about the health and education of my children; consequently, I'm distressed by the arrogance, insensitivity and inflexibility of the local school board in its negotiations with our grade school teachers.

Many of those teachers have for years quietly, without publicity, gone far beyond the requirements of contracts in their concern for our children, often spending their own free time and money to prepare special treats and events for the classes.

The teachers deserve a significant pay raise. They

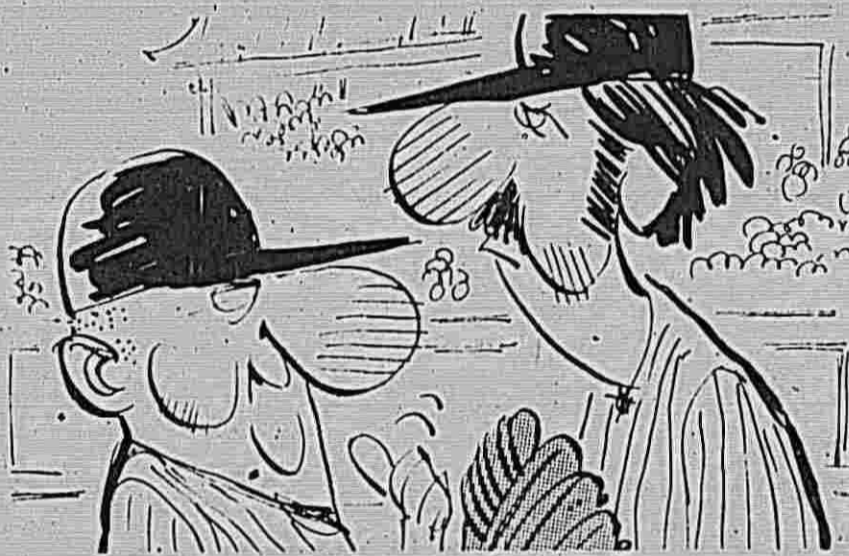

David And Goliath

deserve to be treated by board members, administrators and parents as the indispensable professionals they are. They deserve a great deal more support and sympathy from all of us than they are receiving.

If the board and new superintendent stick to their strange educational priorities, I cannot blame the teachers if their instruction turns perfunctory - or even if they decide to strike.

## Happening

THE HEALTH Services department for the College of Lake County will hold its fourth annual Health Fair on Wednesday, Oct. 25, from 12 noon to 8 p.m. in the college's main campus building.

Health screening services will be offered at no charge. Services will include tests for blood type, diabetes, pulmonary function and tuberculosis.

In addition, the Vision Conservation Institute will offer testing for such things as far vision, near vision, pressure (glaucoma) and muscle balance.

## THE TOWN CRIER

Howard Cosell got hit with a rock in Antioch Monday night.

Well, at least his image on a television screen did.

It happened at the World Famous Village Pub where customers watching "Monday Night Football" were given tickets to see which one would bust the TV set while sportscaster Cosell was talking during halftime.

Tina Zickus got the winning ticket but, owner Bill Georgeson says, she failed to break the screen on her first two tries. So another customer smashed it for her.

GEORGESON'S CAMPAIGN to keep Cosell out of Chicago, because he bum-raps the Bears, has gained national attention. Bill has been called by nine different radio stations and has been interviewed on the air.

The calls have come in from such far away places as Niagara Falls, Canada, New Orleans, New Mexico, St. Louis and, closer to home, Chicago.

## We know how you feel, Bob

### News item:

"Congressman Robert McClory will appear on a dam safety program panel Wednesday before the American Society of Civil Engineers convention in the Conrad Hilton Hotel in Chicago."

CAL SKINNER JR. of Crystal Lake, a state representative and outspoken critic of the Regional Transportation Authority (RTA), passes along this information:

It pays to ride the RTA, at least if you're a famous football player for the Chicago Bears named Walter Payton.

How much?

\$20,000 of your hard earned tax dollars.

"I don't really know whether to be outraged or envious that the equivalent of almost 700,000 gallons worth of RTA gas tax is going to pay for personal appearances which will do more to promote the Chicago Bears than it will RTA," said Skinner, who is paid \$20,000 as a full-time legislator.

According to Skinner, Payton is scheduled to make six personal appearances in addition to cutting three radio spots and two TV commercials for the money. He is also supposed to commute to and from his personal appearances by RTA bus or train, but he came to Crystal Lake by limousine.

## The Time Machine

### 70 YEARS AGO: OCTOBER, 1908

A man who gave his name as G.A. Thompson was arrested at the point of a gun by a chief of police on the charge that his reckless handling of his automobile has caused the overturning and consequent smashing of the rural delivery wagon which was being driven by Charles T. Meill. Even though Meill noticed the approaching automobile and moved to the side of the road, giving the machine one half the road, it is charged that the driver of the car refused to budge an inch from the center of the road. The horse became frightened and shied to one side overturning the wagon and completely demolishing it. Without pausing to ascertain the amount of damage that his action had caused the driver is said to have sped on.

The opening of the duck hunting season here last Saturday was accompanied by the usual number of violations leading to the arrest of more than 20 men charged with trespassing.

Denied the benefit of state or county funds for the repair of the bridge and approaches on Highwoods Drive, which was damaged by floods and made impassable over a year ago, residents and property owners in that area have raised a fund of \$750 for repairs to the bridge and roadway - the amount required for the work, according to the engineer's estimate.

Behind them are (from left) Gordy Volling, chairman of the team's parents association; Betsy Houghton, chairman of the Swim-a-Thon, and Pres Reckers, vice president of the State Bank of Antioch which sponsors the team. Kit chose a 10-speed Schwinn bike after raising \$408 in

sponsor pledges by swimming 200 laps at the Aqua Center. Ruth selected a stereo after swimming 220 laps and raising \$458. The young swimmers raised a total of \$4,100 to buy new starting blocks for the pool, plus new swimsuits and other team equipment. Chris Brown, 15, swam 400 laps of the 33-yard pool to raise \$409. He won a stereo. Six team members won stopwatches, 12 won tote bags and 35 won team suits.

## Woman killed in crash on Hy. 83

A 23-year-old Lake Villa woman was killed, and five others injured Sunday night in a two-car collision on Highway 83, just north of Kenosha County Trunk JF.

The victim was identified by Kenosha County authorities as Rebecca Rivas, of 1002 Nathan Hale Drive, who was killed instantly.

Injured were Beverly A. Townsley, 23, of 424 Kenwood Ave., Round Lake, driver of the car in which Miss Rivas was riding; a second passenger, Cindy Venturi, 25, of 1510 Park Ave., Lake Villa; and Matthew M. Ring, 19, of 24424 W. Highview Drive, Antioch, driver of the second car, and two passengers, Brian P. McGrain, 19, of Trevor, Wis., and David L. Haarstad, 18, of rural Antioch.

Authorities said Miss Townsley suffered a fractured pelvis and broken ribs; Venturi, a fractured pelvis, and facial cuts; Ring, cuts to the head and a back injury; McGrain, a cut above the left eye, and Haarstad, an injury to the right knee and bruises to the forehead.

All of the injured were taken to Kenosha Memorial Hospital.

Kenosha County deputies said Miss Townsley was making a U-turn on Hy. 83 when her vehicle stalled facing west in the traffic lane. Her auto was hit by the car being

driven south.

Miss Townsley has been charged with drunken driving and possession of a controlled substance, Kenosha County authorities said.

## Trick or treat hours are set

Halloween trick or treat hours in the village of Antioch will be from 3 to 7 p.m. on Tuesday, Oct. 31, members of the village board decided at Monday night's meeting.

It also was reported that paving has been completed on Hillside Ave. and Lake St. and the lift station at Fillweber Court should be completed by the end of this week.

TRUSTEES VOTED to authorize engineer Frank Angelotti to proceed with Dunahue and Associates to repair malfunctioning sewers in the village.

Angelotti will be working with the village crew. The project is supported by a grant from the Environmental Protection Association.

Trustees also authorized the purchase of a photo spectrometer for the sanitary plant in an amount not to exceed \$600.

THE MONTHLY POLICY report was given by trustee Ron Cunningham. The report shows 13 thefts, 15 cases of vandalism, 2 burglaries and 2 burglaries from auto.

The board approved an average hourly rate of \$12.25 for members of the police department doing private overtime work.

Village attorney Andrew Lynch was authorized to draw up a proposed amendment to the village's building code.

Lynch also reported a settlement with State Farm Insurance in the amount of \$4,716 for a fire department van which was in an accident last February.

## Mayor signs 'Sight Day' proclamation

Sunday, Oct. 22, has been proclaimed "Save Our Sight Day" in Antioch by Mayor Michael J. Haley.

The mayor, at Monday's village board meeting, called upon "all citizens to participate" in the Antioch Lions Club "Save Our Sight" program at the high school, from 10 a.m. to 3 p.m.

"Citizens should avail themselves of this wonderful opportunity for a complete and thorough eye examination," the mayor said. "Free eyesight screening will be available to everyone three years or older."

## Barr Funeral Home is eye donor center

The Lions of Illinois Foundation eye donor registry in Oak Park has named Barr Funeral Home to be the eye donor center for the Antioch area.

The registry is the outgrowth of the Illinois Lions' participation with cooperating eye banks.

The primary purpose is to make more eye tissue available to cooperating eye banks and to make the procedures as simple as possible for a donor's family.

William M. Barr and Paul B. Maginot, owners of Barr Funeral Home, 532 Lake St., will attend the eye enucleation course given at the University of Illinois research hospital.

The eye donor registry program is solely dependent upon its support from the Illinois Lions clubs and the public through the Lions of Illinois Foundation, which also supports such programs as mobile glaucoma screening and mobile hearing services and referral, Hadley School for the Blind, and Leader Dogs for the Blind.

THE SURGICAL PROCEDURE that can restore sight to one who is blind is called a corneal transplant, the operation for replacing a cloudy cornea.

This means that the window of the eye, the cornea, can be transplanted from one person to another.

The eye donor registry program is a non-profit function and there is no charge for its services. Its function is to provide healthy corneas to qualified physicians and surgeons for use in transplantation, research, education, or for the advancement of medical research.

Eyes may be donated by any person 18 years or older, even if vision is poor.

EYES ARE NOT bought or sold. They are given to the recipient without charge.

Anyone interested in obtaining the forms to donate their eyes, or wishing to obtain more information can stop at Barr Funeral Home, 532 Lake St., or call 395-2303. Information and forms also are available from Antioch Lions Club members.

## Plan study of grade school boundaries

Dr. Donald E. Skidmore, superintendent of Antioch's grade school district, has instructed elementary school principals to conduct an in-depth study of the community in order to determine new boundaries for district schools.

At last week's board meeting, Dr. Skidmore said the study will include a survey of three and four-year-old children and the boundaries eventually established by the study hopefully would be good for four to five years.

Dr. Skidmore said he hoped to have a preliminary report from the study by late January or early February.

HE ALSO SAID that presently the opening date for the new school is uncertain. Initially, it was hoped that the school could be opened by mid-year 1979; but, due to recent construction problems, a more realistic date may be 1980.

Skidmore and Warren Polley, Antioch High School superintendent, have met with Joe Patrovsky to discuss Patrovsky's development plans for a new subdivision.

Phase 1 of the subdivision will produce 51 kindergarten through fifth grade students and 27 sixth through eighth grade students. Upon completion, the development should yield 134 "K-5" and 70 "6-8" students.

DISCUSSIONS ALSO INCLUDED a possible agreement with Patrovsky regarding a cash contribution to the board in lieu of land added to the school district.

Dr. Skidmore suggested that in the future a contract be made with developers which would put a lien on the property involved, rather than the property owner.

This kind of agreement would protect the school board in case the individual owner would sell out to a large scale developer.

## Happenings around our community

THE MONTHLY meeting of the Clever Clovers 4-H club was held at the State Bank of Antioch.

The guest speaker was Mary Wells, R.N., who explained the duties of a registered nurse, including the extensive record keeping done for each patient.

She also told the requirements to become a nurse.

Following the talk was a presentation by Mike Grealis and Bruce Ahlquist of the Antioch Rescue Squad. They demonstrated use of their life support system and radio equipment.

## Antioch group gives \$3,000 to Lambs

The Antioch Mental Health Association gave \$3,000 to Lambs, Inc., at the 1978 Good Shepherd Award dinner.

Mrs. Robert Lubkeman,

president of the association, presented the gift.

The Mental Health Association operates the Thrift Shop on Main St. and donates its earnings to

charitable organizations that provide opportunities to the mentally handicapped.

During the last 13 years the association has donated more than \$100,000 to such organizations.

The association will be recognized with the inscription of its name on a plaque in the Lambs' new restaurant.

The Lambs, in Libertyville, is a non-profit organization which provides opportunities for mentally retarded adults to lead as normal a life as possible.

It has a 51-acre complex of work-training centers employing more than 85 retarded adults.

The centers include a restaurant, bakery, gift shop, country store, children's farmyard, silk screen art shop, pet shop and refreshment stand.

The centers are visited by more than a quarter of a million people each year.

KANSAS CITY, Mo. - A delegation of Illinois agricultural leaders, including Mr. and Mrs. Howard Bonner of Lake Villa, has returned from a two-week People-to-People goodwill tour to Germany, the Soviet Union and Switzerland.

During the diplomatic travel program, delegation members met with foreign agricultural representatives.

The purpose of the tour was to give the Americans an opportunity to carry messages of friendship to their counterparts in Europe. It also allowed them to visit typical farm operations and to compare methods and procedures.

DOROTHY EMMERICH, a 1978 graduate of Antioch High School, will appear in the 12th annual edition of "Who's Who Among American High School Students, 1977-78."

# THE ENTERTAINER

A FAMILIAR SCENE in American life is portrayed on the PM&L stage in the comedy "Play It Again, Sam." Pam Guardi, playing the part of his wife, tells Martin Domeracki, playing Allan Felix, about his shortcomings. The delightful show will complete its run in Antioch Friday and Saturday with performances at 8:30 p.m.

## PM&L comedy delighting audiences

Only two more performances will be given of the PM&L production of "Play It Again, Sam."

The Woody Allen comedy has been delighting audiences at the PM&L Theater, 877 Main St. in Antioch, for the last two weekends.

The final shows will be Friday and Saturday nights, 8:30 p.m.

Woody Allen's parody of the "Casablanca"-type exploits of the late Humphrey Bogart is directed by Don Beveroth.

The cast includes Martin Domeracki as Allan, Frank Greenwood as Bogey and Bob Quinn as Dick. The women in their lives are portrayed by Pam Guardi, Jam Burdick, Bev Palm-burg, Tracy Kiederlen, Dee Baum and Nancy Balmes.

You can call 395-3055 for reservations.

## AARP plans more events

The Antioch chapter of American Association for Retired Persons (AARP) held a meeting on Tuesday, Oct. 10.

Guest speaker was a captain of Antioch Fire Department, Jim Quedenfeld, who spoke on Fire Prevention Week.

The AARP will hold a pot-luck dinner on Tuesday, Oct. 24. Members of the Zion chapter are invited. Those attending are urged to wear costumes and bring one hot dish or \$2.

On Nov. 1, a tour of the Johnson's wax plant in Racine, Wis., is planned. Three films will be shown, "The American Years," "To Fly," and "To Be Alive." A smorgasbord luncheon in Racine is scheduled.

Anyone wishing to attend can contact Esther Aiani at 395-5354.

## Firemen honor 'Old Timers'

The Antioch Fire Department will hold its annual "Old Timers Night" next Tuesday, Oct. 24, at the fire station.

Cocktails will be served at 6:30 p.m. and dinner at 7.

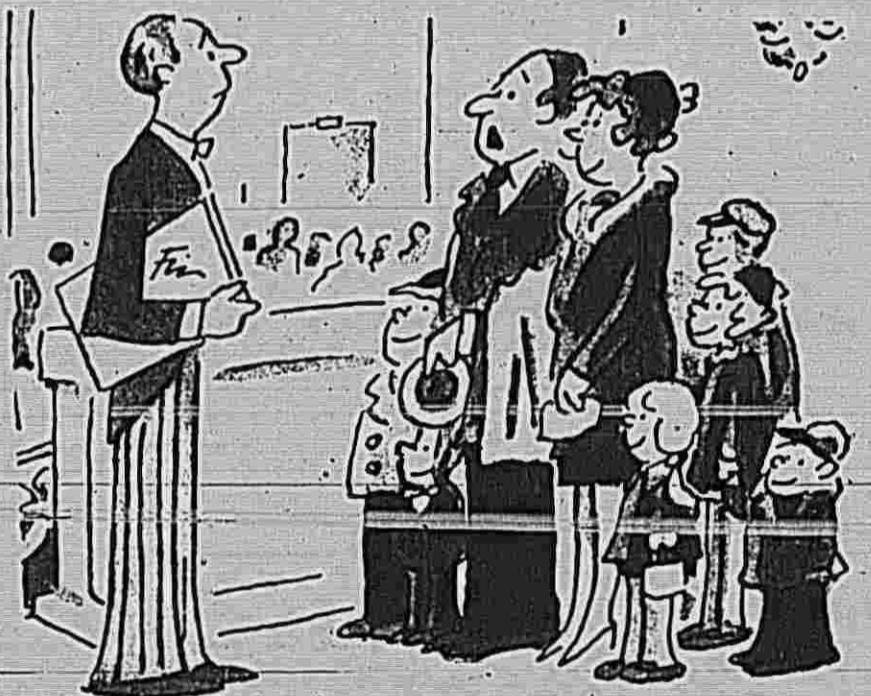

"Old Timers Night" is

held so active fire department volunteers can recognize retired and honorary department members.

All retired and honorary members are welcome to attend, fireman Ken Mazzuca said.

## All about town ...

By LINDA WALKER

Tom Hucker is excited about the move Candlelight Galleries will be making soon.

The lighting fixture business will relocate at routes 59 and 173 (Georgetown Furniture's former location) while Adesko Electric will remain on highway 173 in the Hickory Commons shopping center.

Tom said, "We'll have about four times as much space to work with, which will allow us to stock a complete line of electrical supplies."

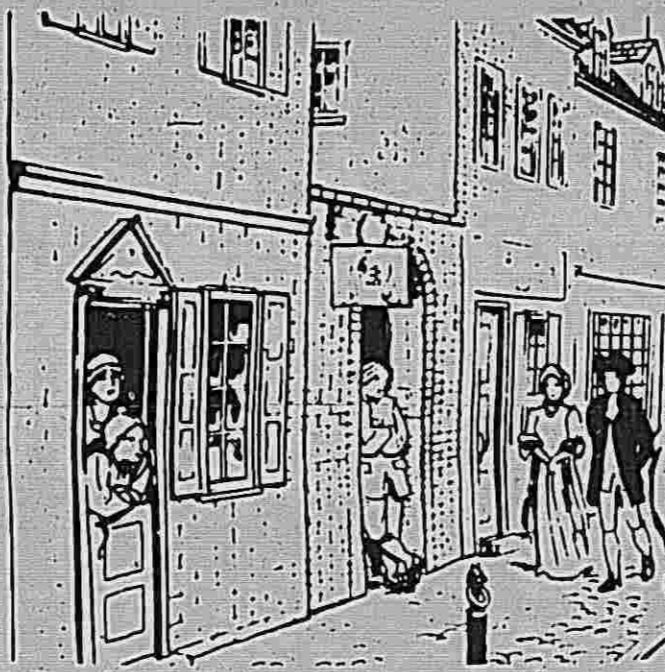

It sounds like a major move in the right direction, and the interior decorating will leave nothing to be desired.

MOST OF YOU have heard of ESP (extra sensory perception) but how about ASP? Well that's the new sign that graces the entrance of Antioch Shopping Plaza.

The attractive sign lists the merchants in the plaza and is an asset for shoppers looking for a certain store. It's a definite plus.

THERE'S A YOUNGSTER walking around town with one tennis shoe. The other "Winnie the Pooh" sneaker is sitting in the Jackie's Hallmark window.

Jackie found the misfit shoe in front of her store last Wednesday. It looks practically new, and Jackie hopes the little fellow will return to claim it.

ROUNDAABOUT RECORDS has moved next door to 920 Main St. (Mostly Books' store).

The move was quick and simple. Curt and Vicki Johnson closed the record store Saturday at 922 Main St. and opened Monday in the new location without many problems.

That's what I call movin' on.

JAY DZIKI of Tiffany Realty World is a synner. Ask him about it. The definition is easier to understand than the pronunciation.

## Women of the Moose welcome new members

Last Thursday 40 members of the Women of the Moose welcomed two new co-workers; Joanne Bergl, sponsored by Elizabeth Andersen, and Madeline Bonin, sponsored by Betty Dahlke.

The meeting featured state convention reports by the four members of the ritual staff who attended the convention in Peoria last week.

Judy Cook was congratulated for receiving the coveted green cap which she will wear during all chapter meetings this year.

The green cap signifies that, while Judy served as senior regent last year, she and the chapter fulfilled all requirements put forth by Mooseheart headquarters.

A special night in Judy's

honor will be held next spring.

The annual "Christmas Walks" for the youth at Mooseheart and the aged at Moosehaven was held. Gifts and money were donated by those attending the meeting.

Senior Regent Judith Kelly announced that a business meeting will be held at 8 p.m. Thursday.

## Orders being taken for ACHS yearbook

**ARIES** [March 21-April 19] - Your abilities at problem solving has special advantages; join forces with mate to heighten chances of success with business affairs.

**TAURUS** [April 20-May 20] - You get increased outside attention so keep activities above reproach and criticism. Offers are plentiful but use discretion when considering new associations with others.

**GEMINI** [May 21-June 21] - A well organized routine affords ample time for tying up loose ends, attending to new responsibilities as well. Coworkers are more apt to depend upon your judgment now.

**CANCER** [June 22-July 21] - An adventurous trend continues for you; good opportunities arise for cultivating creativity. Some ventures which involve risking finances deserve special attention so show good business ability.

**LEO** [July 22-August 21] - Making choices, decisions should be shared with close relatives, family members as most moves affect those who dwell with you. Don't compete for control.

**VIRGO** [August 22-September 22] - New endeavors require maturity on your part. You do well now in public relations; corresponding and communicating helps get those inventive ideas moving toward prosperity.

**LIBRA** [September 23-October 22] - Unusual circumstances can occur causing financial situation to fluctuate from one extreme to the other. Work toward creating a more solid foundation.

**SCORPIO** [October 23-November 21] Showing self-control may require extra effort as increased planetary aspects create additional energy. A fine week for getting plans into motion.

**SAGITTARIUS** [November 22-December 20] - Some restrictions are indicated; if plans change use additional time constructively. Your involvement in civic work is rewarding.

**CAPRICORN** [December 21-January 20] - A social relationship is successful; ideals can be attained through the aid of good friends. There's a tendency toward eccentricity.

**AQUARIUS** [January 21-February 19] - Work still demands your attentions; you're able to take command of most situations, handle new responsibilities accordingly. Initiative is high.

**PISCES** [February 20-March 20] - Your philosophical views require some cultivating; seek out the company of those who can share with you. Keep things moving at a constructive pace.

# FIRE SAFETY TIPS

SAVE THIS PAGE — POST IT IN PLAIN  
VIEW WHERE EVERYONE CAN SEE IT

## 1. KEEP DOORS CLOSED...

Before retiring for the night, be sure all doors are closed from one room to another, especially the bedroom doors. This prevents you from being asphyxiated in your sleep should a fire start. It also decreases the extension of fire to other rooms.

## 2. TEST DOORS BEFORE OPENING...

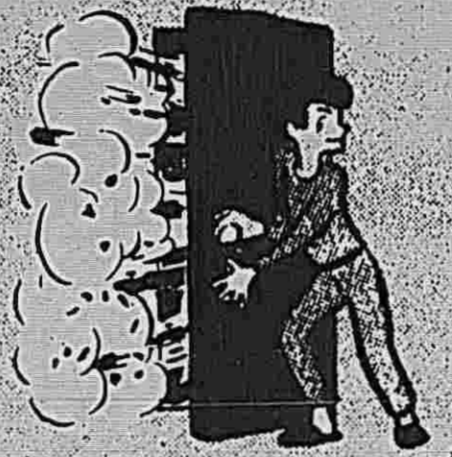

If you hear a strange noise outside your door, check ... (A) Are the door panels hot? (B) Is there any evidence of smoke? If you suspect fire on the other side, **DON'T OPEN THAT DOOR!** Exit through your emergency escape route (usually a window) and effect rescue of others in the family from the outside of the house.

## 3. OPENING A DOOR...

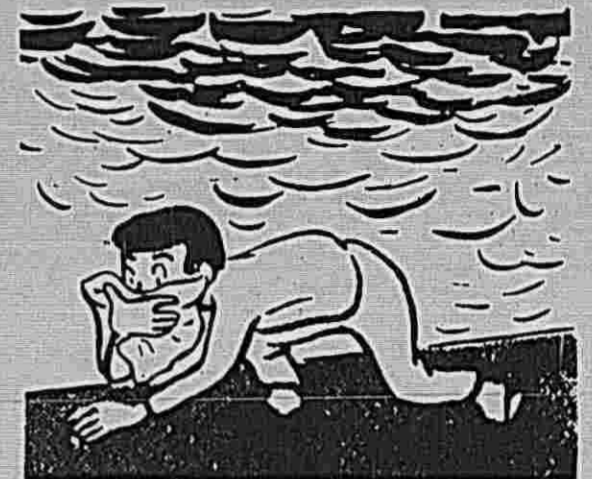

If you feel you must open the door, do it the right way! (A) Brace shoulder against the door, feet apart, front foot 2" from door to act as a stop. (B) Keep head turned from door opening. (C) After pressure is released, get down on hands and knees and cautiously open the door.

Remember, fire heats and expands air causing pressure on door, opening the door may cause an explosion.

## 4. KEEP LOW...

Heat and smoke always rise, so air is better near the floor. (A) Cover the face with a cloth. (B) Breathe through your nose. (C) Crawl to your destination. Hallways and stairways are the most dangerous routes to travel.

## 5. CLOTHING ON FIRE...

Smother fire by wrapping a rug, blanket or coat around you, or rolling slowly on floor or ground until fire is out. Protect your face by covering it with your hands.

**WARNING: You must never run! This only increases the fire hazard.**

## 6. JUMP ONLY AS A LAST RESORT...

Straddle window sill with only one leg remaining in the room (protect leg with blanket or other covering). Open window at top, pull bottom section of window down to your leg.

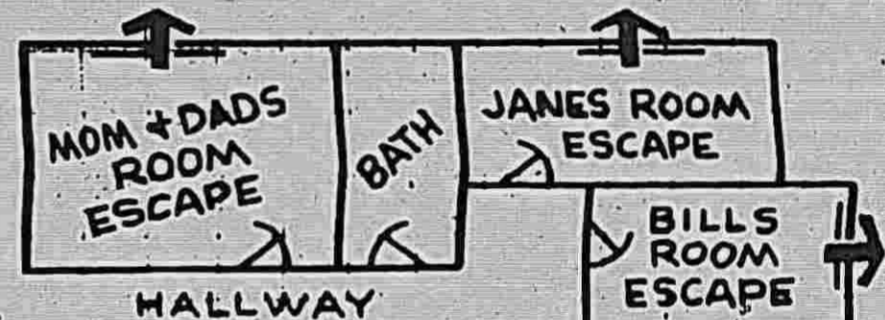

If you must jump, hang by your hands before you fall. This will reduce your fall by 6 feet or more.

## 7. HOME PRE-FIRE PLANNING...

Determine a way everyone can sound a family fire alarm (holler, pound on walls, use a whistle, etc.) Remember, fire may prevent you from reaching other rooms. Everyone should have an emergency escape exit (usually a window). Make your own escape plan (see sample sketch). Be sure everyone can open windows and screens easily. Have an outside meeting place ... to check if everyone is out.

Arrange a special way to help infants and elderly (such as having an outside ladder handy to use.) **Don't waste time getting dressed or gathering valuables ... In a fire, every second counts ... everyone must act quickly. Conduct regular fire drills.**

IF, DESPITE ALL YOUR EFFORTS TO PREVENT IT, FIRE DOES STRIKE ... DO THESE 2 THINGS IMMEDIATELY: 1. GET EVERYBODY OUT OF THE HOUSE! 2. CALL THE FIRE DEPARTMENT!

## IN CASE OF FIRE, CALL:

## New 'Bottle Bill' planned by Pierce

State Rep. Daniel M. Pierce, Highland Park Democrat, has been asked by state conservation and environmental groups to reintroduce the Illinois Beverage Container Act when the General Assembly convenes in January.

Rep. Pierce was the chief sponsor in 1977 of the act which would ban throw-away bottles and cans, as well as flip-top cans.

The bill, commonly known as the "Bottle Bill," was approved in the House committee on energy and natural resources but failed to gather sufficient votes to pass the House of Representatives.

SINCE THAT TIME Iowa and Connecticut have been added to the list of states requiring deposits on all soft drink and beer containers. Previously enacting such legislation were Oregon, Vermont, Michigan and Maine.

Rep. Pierce has promised the environmental groups that he will introduce effective litter control legislation in the 1979 General Assembly, using the "Bottle Bill" as the basis for the new legislation.

Pierce insists that the new legislation will prevent the economic dislocation feared by some groups if a "Bottle Bill" is passed and less cans and bottles are manufactured.

Workers in these plants will be protected, Pierce declared, under provisions being drafted in the new legislation.

## District 34 to de-annex 16 homes

Antioch Grade School District 34 will investigate the possibility of de-annexing an area of land and annexing it to Millburn School District 24.

This was decided at last week's school board meeting.

The land involved is a peninsula which extends into Redrock Lake and which is surrounded by the Millburn district.

Busing problems arise as District 34 must enter District 24 to reach the 16 homes on the peninsula.

Dr. Donald Skidmore, District 34 superintendent, will explore the de-annexation issue with Dick Framke, superintendent of the Millburn district.

ALSO UNDER CONSIDERATION is a teacher aide program for Antioch lower grade schools.

The program initiated by Dr. Skidmore who said previous experience had proved the program "very worthwhile" for all parties involved.

High school seniors will be chosen as teacher aides to assist teachers in the elementary schools.

The duties of the aides would range from doing mimeograph work to creation of a curriculum, and individual work with students requiring special help.

THE POSSIBILITY of having the Upper Grade center remain open on afternoons when athletic events are scheduled also was discussed at the meeting.

Several board members questioned what happened to children who participate in athletic events from the hours of 3:30 to 5:30 p.m.

Some students, it was reported, stay in town unsupervised because the schools are closed during these hours.

Ed Haley, board member, suggested the schools remain open from 3:30 to 5:30 when sports activities are scheduled.

IT WAS DECIDED by the board that Bill Herbst, Upper Grade School principal, would look into the possibility of hiring someone for those two hours to supervise students.

The resignation of George Hucker, District 34 bus mechanic, was accepted by the board effective Oct. 6, 1978. Hucker will begin his own trucking business.

The resignation of Vic Mueller, District 34 custodian, also was accepted.

Mueller was cited by the board as a very valuable employee who kept the Upper Grade School "mechanically in good repair." He will take a new job in Wisconsin.

Mrs. Joselyn Booth will take maternity leave beginning Thursday.

Mrs. Delores Hain, teacher at Oakland School, also is taking a leave of absence. Mr. and Mrs. Hain have adopted a baby girl, Heather Anne, and Mrs. Hain will be on leave of absence until the adoption is finalized.

BIDS FOR SCHOOL BUSES have been sent out by the board and bills for construction at Oakland School were approved.

VISITING WASHINGTON, D.C., were Jim Olson of Antioch (left) and his family. They posed with Congressman Robert McClory in front of the capitol building. From left: Mr. Olson, his daughter Sandy, wife Lill, the congressman and daughter Linda.

"Congressman McClory was his genial self," Mr. Olson said, "seeing that we received a special tour of the capitol building and making us aware of all the places to visit in Washington."

## Allan Figi wins football contest

Well, here's what happened in last week's Antioch News football contest:

Very few fans thought Grayslake would beat the Sequoits. There were only a handful who had an inkling that Antioch would go down to defeat, 32-31.

Allan Figi, that excellent young forecaster from Trevor who won a prize in the contest two weeks ago, came the closest when he picked Grayslake by four points.

THAT GAVE ALLAN the first prize, \$15 in cash from Antioch Counseling Services.

Second prize, a \$10 gift certificate from Area Glass & Mirror Co., was won by John Furlan and third prize, a \$5 gift certificate from Maggie & Harry's Thompson's Bar and Restaurant, goes to Winifred M. Braddock.

ANOTHER CONTEST, with \$30 in prizes, appears in today's Antioch News.

The trick is to predict the outcome of the Sequoits'

Homecoming game against Wauconda. Be sure to get your entries in before Saturday's 2 p.m. kickoff.

## Beauty shop burglarized

Guys and Dolls, a hair-dresser shop on Lake St., was burglarized Sunday evening.

The door of the shop was forced open and a small amount of currency was taken from the cash

drawer.

"It has similarities to other burglaries we've had in the area," said Police Chief Chuck Miller. "There might be a connection."

Police are presently investigating the case.

## 3 charged with stealing pumpkins

Richard W. Sweeney, 21, and Richard Moriarty, 17, both of Route 1, Trevor, have been charged with theft under \$150.

Sweeney, Moriarty and a third subject, who was referred to as a juvenile officer, were observed at

the A&P store on Oct. 14 by Sgt. Charles Watkins as they loaded pumpkins into their vehicle.

They were followed by Watkins and then apprehended and charged.

The value of the pumpkins was about \$30.

## Homecoming activities are underway

Antioch High School's "Homecoming Week" began Monday with a "Guys Hush" day.

A "Girls Hush Day" was held Tuesday.

Activities for the rest of Homecoming Week include a "50's Day" on Thursday and a "Theme Day" on Friday.

A PEP RALLY and bonfire are scheduled Friday at 7:30 p.m. at the high school football field. The rally will be followed by a "Sock Hop" in the Commons at 9 p.m.

On Saturday at 10 a.m. the Homecoming parade will take place.

The sophomore football game against Wauconda will begin at 12 noon followed by the varsity game at 2 p.m.

EVENING ENTERTAINMENT begins at 8 p.m. with the Homecoming dance in the high school's north gym. The Homecoming king and queen will be crowned at the dance at 10 p.m.

Homecoming attendants have been chosen. They are seniors Joy Bowman, Bonnie Goodrich, Vicky Manuel and Jeanne Venn, junior Beth Venn, sophomore Lori Nohlecek and freshman Lynn Bell.

The Homecoming queen will be announced at the pep rally Friday night.

## Color Guard increases its ranks

The Antioch High School color guard recruited some new marchers last week.

The girls will be added to the lineup for Saturday's homecoming game against Wauconda.

The captain is Debbie Boehm, lieutenant is Vicky Manuel and the sergeant-at-arms is Robin Anderson, all seniors.

The manager is Elayne Hanert, also a senior.

Rifle-bearers are Denise Grehs and Sue Apostol. Jan Williams, Denise Petersen and Patty Harper are also among the permanent members. Following is a list of the new girls joining the color guard squad.

Lisa Clevon, Lori Corey, Terry Lindstrom, Chris Matson, Kathy Martin, Kim Chestner and Janet McMurray.

## Students take 'college test' next Tuesday

Jane Kleinschmidt, guidance chairman at Antioch High School, has announced that sophomores, juniors and some seniors will be able to join one million students around the world in taking the Preliminary Scholastic Aptitude Test and National Merit Scholarship Qualifying Test this fall.

The test, co-sponsored by the College Board and National Merit Scholarship Corporation, is a step in making college plans.

Scheduled Tuesday, Oct. 24, at Antioch High School, the test measures verbal and mathematical aptitude.

By taking the test, students can enter competition for scholarships administered by the National Merit Corporation.

Students can pay College Board's \$3 fee for the test in the guidance office.

## Bodin helps Elmhurst take lead

Jon Bodin of Antioch made his third pass interception of the year, leading to a touchdown as Elmhurst College boosted its football record to 4-0 in the College Conference of Illinois and Wisconsin.

The Elmhurst Bluejays destroyed unbeaten Millikin 38-12 in a battle for the league lead.

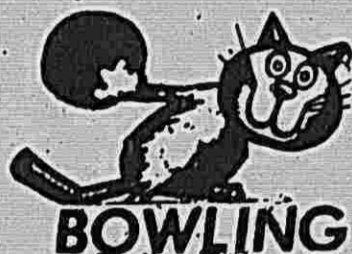

Elmhurst was ranked 17th in the nation in NAIA Division 2 going into the game.

## Harland among leaders in cross-country

MARSHALL, Minn. - Senior Mike Harland of Antioch is one of the Southwest State University harriers who will compete in their own Mustang invitational here Saturday.

Head coach Harry Jones' Mustang runners finished third in the South Dakota State University Invitational. Junior Greg Schmidt of Redwood Falls paced Southwest State, finishing 14th in the 10,000-meter race. Harland was 20th.

Following the Mustang Invitational, Southwest State will prepare for the Northern intercollegiate Conference championships in Moorhead, Minn. on Oct. 28.

# New basketball league formed

A new men's basketball league began its first season here Tuesday night.

The six-team league will be playing three games a week on Tuesday nights at the Antioch Upper Grade School.

It is sponsored by the village recreation department, coordinated by Sue Koppa. One of the organizers is Mike Perrone, outstanding Antioch High School star of a few seasons ago.

PERRONE IS PLAYING for the Limerick Lounge team, which is coached by Dick Wolf.

Other teams and their coaches are Century 21, Jim Maier; the State Bank, Jim Weiss; the Wharf, Bruce Keckemety; Maestrazi Brothers, coached by Jim White of Lindenhurst, and BJ Sports Center, Tom Robinson.

Most of the players are from Antioch, Lake Villa and Lindenhurst.

"GAMES WILL BE officiated by Doug Lang, Lee Mieuire and other topflight officials," Perrone said.

He said that official NBA basketballs will be used, donated by Julie Popp of the First National Bank.

Spectators are invited to the games, admission free. The first game at the Upper Grade School next Tuesday is scheduled for 7:30 p.m.

## Field hockey team loses to state champs

The Antioch High School field hockey team lost a 5-0 decision last Wednesday to the 1977 state champions, Schaumburg.

The Antioch girls scored once, but the goal did not count because an official's whistle had blown.

The junior varsity lost 1-0. The game was kept from becoming a rout by freshman Michelle Hanson, who made many saves.

On Friday, Crystal Lake was Antioch's opponent and scored with less than a minute to go to gain a 1-0 victory. The Antioch defense, led by Jamie Vasek, turned in another fine effort but the offense barely missed scoring many times, coaches said.

The next Antioch home games are today against Deerfield and Friday against McHenry.

## Iceless hockey registration

Registration for Antioch's iceless hockey program has been extended to one more date - Friday, from 6 to 10 p.m. at Grass Lake school.

Information can be obtained from Sue Koppa, village recreation coordinator, at 395-2160.

# Sequoits hope to take out frustrations on Wauconda

Three, two, one ... if the last three games have been a countdown you can't blame Antioch's Sequoits if they are ready to **BLAST OFF!**

And that's what their fans are hoping they will do when they play Wauconda here Saturday, 2 p.m., in the annual Homecoming game.

On the last three Saturdays the Antioch team has lost frustrating games by three points to Lake Zurich, two points to Stevenson and one point to Grayslake.

WITH A LITTLE BIT of luck, Coach Steve Wapon's Sequoits could easily have a 3-1 record and he tied for second place in the Northwest Suburban Conference. But so far this has been one of the most exasperating seasons in the history of high school football here.

At least the Sequoits know they can play with anyone in

their league, so they won't fear Wauconda's Bulldogs.

Wauconda was in contention until being upset 24-6 by Grant, also known as the Bulldogs, last Saturday.

Wauconda will be on the rebound and Antioch will still be ricocheting.

WAUCONDA AND ANTIOCH will fill the field with ball-carriers who can crash through opposing defenses for yardage.

Halfback Perry Lubera and fullback John Kempf are Wauconda's best runners while Antioch has been moving the ball well with no less than four players.

The Sequoits outrushed Grayslake with 253 yards last Saturday as junior Mitch Case gained 81 yards in 18 carries, Dwayne Buszta picked up 54 in 12, Greg Bodin 53 in 13 and Denis Flaschner 47 in 11.

The Sequoits, although beaten 32-31, had 23 first downs to Grayslake's 7. They only had to punt once in the game. And they picked up 102 yards passing as quarterback Rob Nauman clicked on 6 of 10 tosses, including two for touchdowns.

ANTIOCH LED GRAYSLAKE 17-13 at the half and 31-19 after three quarters. After Grayslake passed for two touchdowns to take a 32-31 lead, the Sequoits thought they won the game with 40 seconds to play.

Dan Behne made a 30-yard field goal attempt and drilled it high and deep. Antioch fans behind the goal posts began jumping up and down. The Grayslake players seemed dejected, their heads down. But the official said the kick was wide. A lot of Antioch fans disagreed, but to no avail.

"It's never fun to lose," said Coach Wapon. "but our team showed a lot of character."

ALTHOUGH GRAYSLAKE couldn't move the ball on the ground, the Rams did get 251 yards through the air, on 10 completions, and scored on touchdown passes of 80, 24, 25 and 23 yards.

Wapon liked the way his team kept bouncing back. "They wouldn't quit," he said.

Behne got Antioch's first three points on a 32-yard field goal in the first quarter.

In the second period the Sequoits scored on a 28-yard pass from Nauman to Scott Schroeder, who made a splendid catch. Then Nauman plunged five yards for the touchdown that gave Antioch its 17-13 halftime lead.

THIRD QUARTER TOUCHDOWNS kept Antioch ahead — Bodin scoring from eight yards out and Chris Oddsen catching a 15-yard pass from Nauman. Behne kicked four extra points in four tries.

"Case really ran hard," said Wapon, praising his leading rusher. "Also, defensive end Andy Dziki gave Grayslake ball-carriers some brutal shots."

"Our defense gave Grayslake only 46 yards rushing, which is super," Wapon noted. "But we showed some glaring weaknesses in pass defense. We've got to solve that problem."

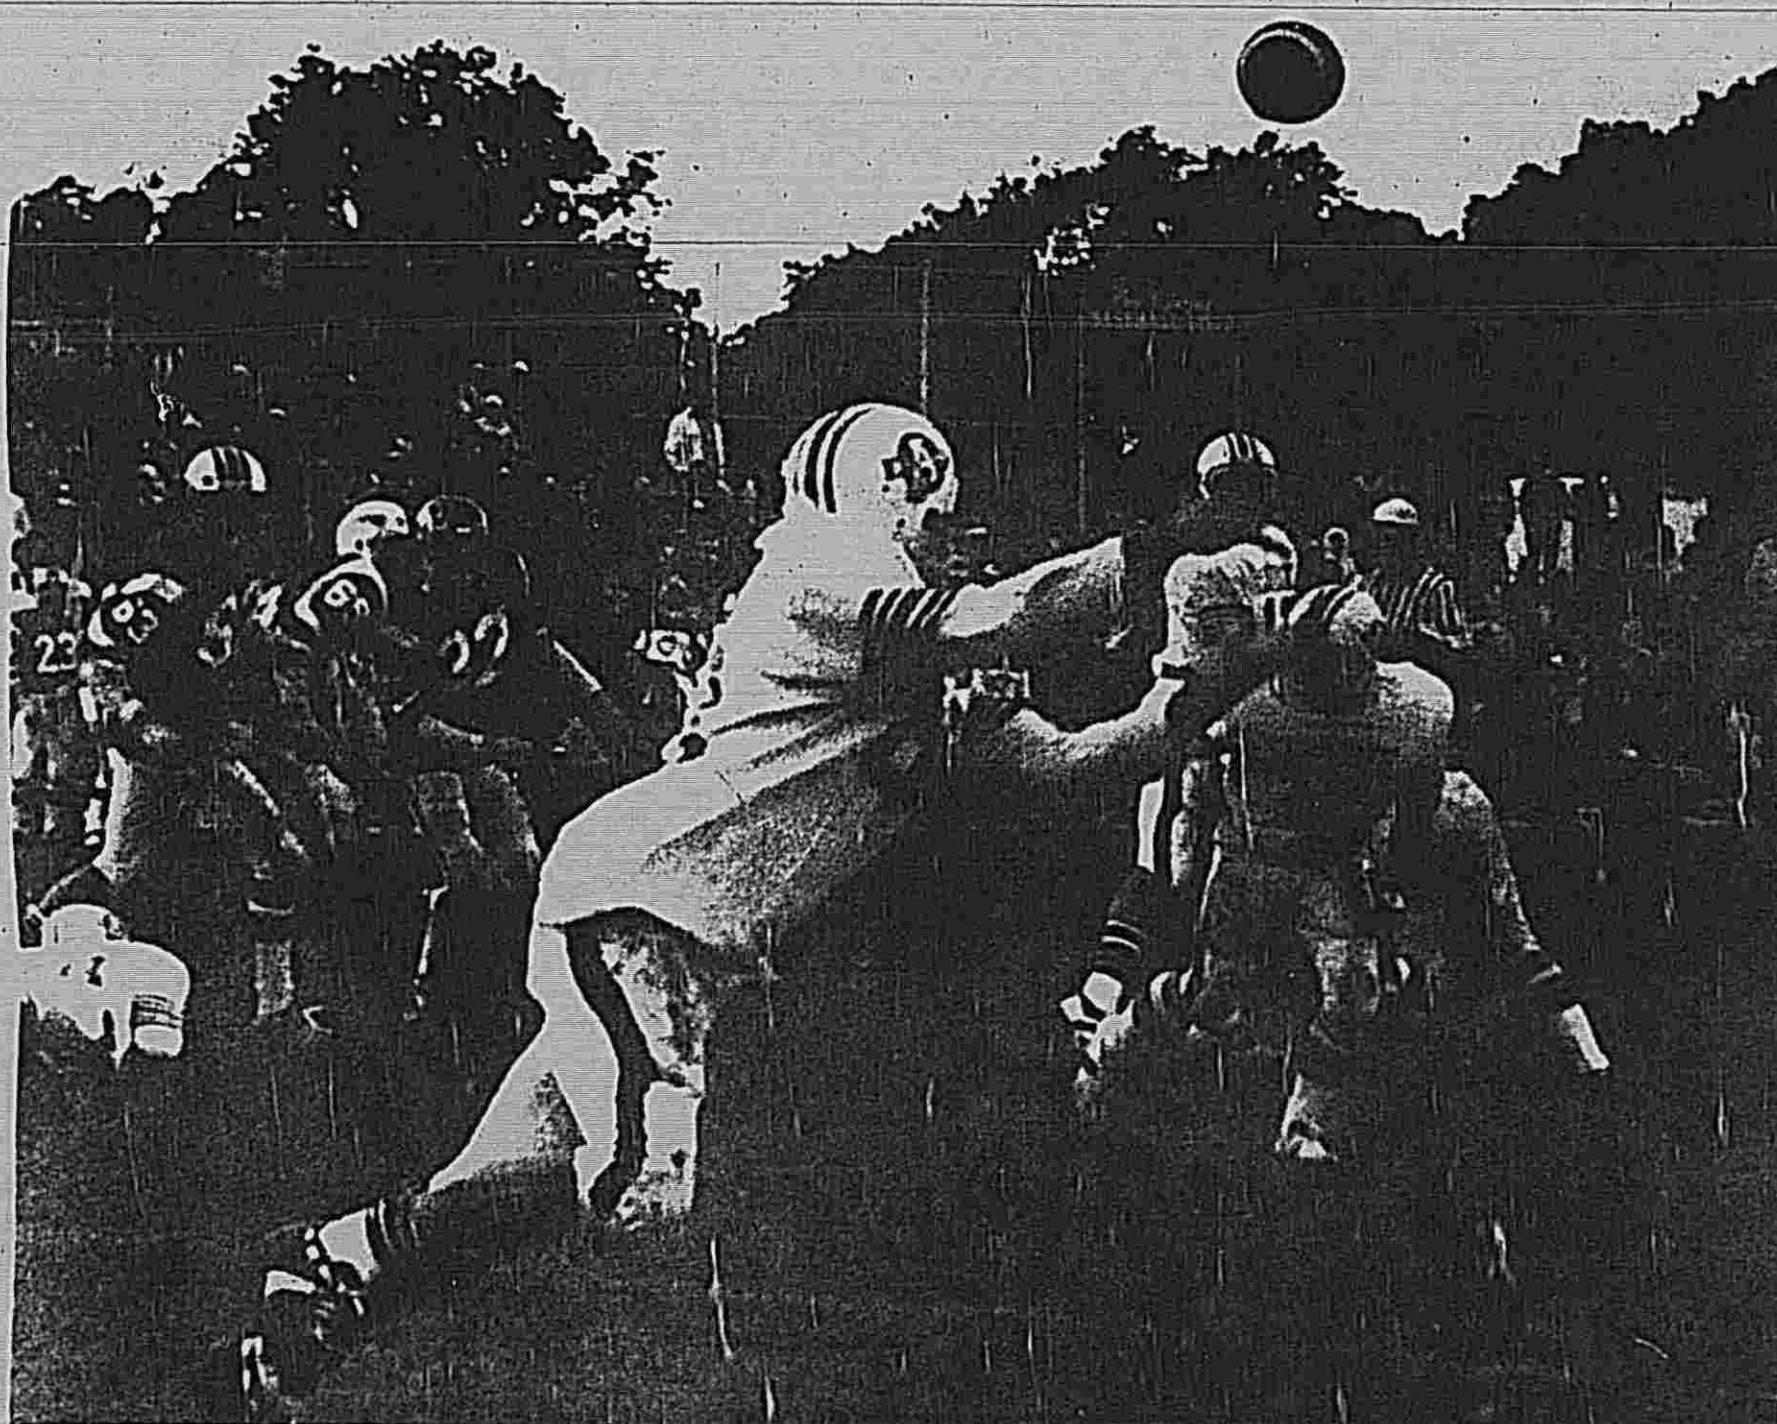

The Antioch coach pointed out that his defense has now contained three straight opponents on the ground — Stevenson, Lake Zurich and Grayslake.

Now the Sequoits have to stop Wauconda. The countdown should be over.

## Sophs enjoy another win

Antioch's sophomore football team won its third consecutive game Saturday, beating Grayslake 19-0.

Scoring first for Antioch was Jeff Schleusener on a 23-yard end sweep. Setting up the touchdown were runs by Steve Jennerich and Mark Pomaszak.

WITH FOUR MINUTES to go in the first half Pomaszak scored the second touchdown on a 3-yard run. Leading to this touchdown were runs by Pomaszak, Jennerich and a 43-yard gain on a pass from Bob Heffernan to Jennerich. Dino Sisto kicked the extra point.

To make the score 19-0 the final Antioch touchdown was scored by Jennerich on a 10-yard run. This came after a pass from Heffernan to Sisto for 20 yards.

ANTIOCH WAS ABLE to accumulate 230 yards total offense versus 86 for Grayslake.

Grayslake was unable to sustain any drives and did not penetrate past the 35 yard line of Antioch's tough defense.

"CREDIT ALSO FOR this game has to be given to the offensive line of Antioch," Coach Tom Baba said.

Antioch's sophomore record is now 3-1 in the conference and 3-3 overall. Saturday's soph game will be against Wauconda at Antioch's Homecoming, at 12 noon.

## Volleyball team gets 2 wins

Antioch High's girls volleyball team won two and lost one last week for a 2-1 record in conference.

Antioch beat Warren 20-8, 12-20, 20-18. Top scorers were Diane Hairrell, Patty Hinz and Denise Sabar.

Antioch then beat Stevenson 20-16, 20-11. Top scorers were Kim Rederer, Denise Sabar, Patty Hinz and Diane Hairrell.

Antioch lost to Lake Zurich 19-21 and 11-20.

"We have some tough games coming up and we hope to make a good showing," said Coach Lauri Hargrove.

## Tennis team beats Carmel, 3rd in league

Antioch High School's girls tennis team improved its record to 6-5 with a win over Mundelein Carmel, 4-3.

The four winners included Janet McMurray at first singles, Jenny Behne at second singles, Kathy Sterbenz and Linda Hoffeditz at first doubles and Amy Lewandowski and Diane Appelhans at third doubles.

In the conference meet, Miss McMurray, Rotary Club exchange student from Scotland, was runnerup to two-time state champion Suzie Jaeger of Stevenson. She beat Julie Wilkinson of Warren 6-2, 6-0 and Jean Peterson of Lake Zurich 6-2, 6-1.

Jenny Behne also finished second to a Stevenson foe, Linda Kern. Jenny advanced by defeating Chris Viking of Grant and Jill Henderson of Warren.

Kathy Sterbenz and Linda Hoffeditz were the only other Antioch first round winners. Antioch finished third in the tournament, one point behind second-place Wauconda and far behind champion Stevenson.

This week, Antioch plays in a district tournament at Round Lake.

The sophomore tennis team won its conference title with a 6-0 record and was 8-1 overall.

"Hope ever tells us tomorrow will be better." Tibullus

## SPORTS SHORTS

While today a baseball pitcher is considered terrific if he wins 20 games, back in 1884, pitcher Charles (Hoss) Radbourn of Providence of the National League won 60 games.

## VIKING SCOREBOARD

### Heavyweights

The Antioch Viking Heavyweights notched their fourth win of the season, 12-7 over McHenry in a game that featured outstanding defensive work by the Antioch line.

The Vikings took an early first quarter lead on a pair of safeties when they twice pushed McHenry back over its goal by sacking the quarterback. The score was Antioch 4, McHenry 0.

In the second quarter a McHenry defender picked off a pass and rambled 65 yards as his team took the lead 7-4.

On the next kickoff, Antioch's Andy Lehn ran 75 yards for a touchdown.

Quarterback Derek Olsen then kicked for two extra points and Antioch led 12-7.

Kevin Kovach blunted

McHenry's only other threat by intercepting a long pass and returning to the McHenry 20.

### Lightweights

The Antioch Lightweights defeated McHenry 49-0. Touchdowns were scored by Tom Adams, Phil Aschbacher, Tim Cardwell, John Oelkers, Cardwell again, and Craig Sheedlo, after intercepting a McHenry pass.

Dan Berkiel crossed the goal with one second left in the game, making the final tally 49-0.

### Featherweights

In a muddy tussle the Raiders were victorious over the Seahawks 6-0.

The Raiders scored in the third quarter after Ed Poulos recovered a fumble. Jack Davis and Eric Wallraf moved the ball downfield, with Jack Davis crossing the goal for the T.D.

The Raiders' defense had a busy afternoon. Ken Bergman broke up two pass plays, Ted Cibrang recovered two fumbles and Rick Winters and Eric

Wallraf intercepted Seahawk passes.

The Buccaneers continued along the victory route with a 24-0 win over the Warriors.

Dean Elrod scored two touchdowns, one after he intercepted a Warrior pass and ran it 50 yards, for the T.D., the other on a hand-off.

Steve Mueller recovered a fumble and intercepted a Warrior pass, returning it 45 yards for a touchdown.

With 15 seconds left in the first half, Brad Poulter ran 35 yards for the last touchdown of the game.

The Warrior coaching staff praised the effort made by the defense in the second half and also Kelly Geist and Rod Volling for fumble recoveries, Volling and Dean Frasch for five quarterback sacks in the first half, and Joe Cotes for good running in the fourth quarter.

## Runners compete in county meet

Antioch-High's varsity cross-country team placed 10th last Saturday in the annual Lake County championship meet at the Lakewood Forest Preserve.

Libertyville won the team title with Deerfield second. Deerfield's Tony Stevens was first in the 2.8 mile race in 14 minutes and 15 seconds, despite falling once along the way.

Antioch's top finisher was Jim Eller, who placed 26th in the big field.

IN THE GIRLS RACE, a 1.9 mile event, three Antioch runners earned individual awards. Carrie Corso placed third, Gail Plechaty eighth and Diane Otten 11th.

In freshman competition Alan Ware of Antioch was 19th and, in the sophomore race, Gary Miller won a medal for Antioch by placing 12th.

Last Thursday, at Round Lake, the varsity lost a close dual meet, 27-29. Eller was third individually, followed by Greg Bies, fourth, and Dave Unrien, sixth.

Carrie Corso was first among the girls while Hank Woolard won the frosh-soph race for Antioch. Andy Dugenske placed fifth with Dale Plechaty and Mike Wilms close behind.

## Today's Brightener

A lot of people are walking around with those little pocket calculators and nothing in their pockets worth calculating.

## Brightener

An employee who survived all sorts of personal turnovers and purges at his company was asked the secret of his miraculous survival.

"Oh, they don't dare fire me!" he replied. "I'm always too far behind in my work."

Newspaper editor: "What did the two candidates have to say today?"

Reporter: "Nothing."

Editor: "Good—keep the story down to a couple of columns."

## Grade school board, teachers in conflict

(Continued from page 1)

Wednesday afternoon involving Jablonski and several district teachers.

The teachers were seen by Jablonski passing out leaflets in a village parking lot. The leaflets were a teacher's profile which ended with a statement that teachers are working without contracts.

Leaflets were also being placed on car windshields.

Jablonski claims that he went to the police department to inquire whether there was a village ordinance prohibiting the posting of leaflets on private cars. Police told him there was such an ordinance.

JABLONSKI SAID HE then went to the teachers to suggest they check on the ordinance.

A police car apparently arrived on the scene at the same time.

It was suggested that the teachers go with the officer to the station to review the ordinance.

Jablonski claims teachers had been posting leaflets the week before (Oct. 4) and that the board had received complaints from "irate citizens" because of it.

TEACHERS MAINTAIN THAT citizens have been very receptive to them.

Teachers' disatisfactions with the board revolve around a few central issues.

They claim they are working without contracts. The board maintains they are working with last year's contracts except for areas which are negotiable.

Teachers want board policy to be written into contracts. Jablonski says to do this would in effect remove one of the major functions of the board of education. Once written into the contract the policy would become grievable and no longer a board policy.

"We would no longer have control over board policy," says Jablonski.

TEACHERS ARE ASKING for an average salary raise and increment which will bring, according to them, a cost to the board of less than 14 percent.

The board claims that teachers are asking for a 16 percent increase in salary. With the board's current budget deficit, the board maintains this would be impossible to do.

Teachers claim they are being harassed and treated disrespectfully; this the board refutes.

Almost no progress has been made in negotiations since last April.

Both sides claim they are acting in the best interest of the children. Both sides claim they are willing to continue negotiations.

The next session is scheduled tonight.

Our elders hold 'the magic of the story'

By LINDA BARNES

Much has been written about the treatment of the aged in our society. And certainly, it cannot be denied that the place which we frequently delegate to our elders is something less than honorable.

In a culture that worships youth, the aged are often perceived as unknowledgeable and dull - human beings who are, by our definition of things, out of the mainstream of life.

WITH A MILLION excuses and rationalizations, we "place" them in rest, retirement, convalescent or nursing "homes." To quiet our nagging pangs of guilt, we may lavish them with unnecessary gifts or make continual reminders to them and ourselves about how beautiful and wonderful the facilities are.

When stripped of our excuses, we come face to face with the fact that we simply have not made time for our elders. There is no time to give them the extra bit of physical care they may need. More importantly, there is no time to afford them the respect and dignity of genuinely being listened to.

WE VIEW THE SITUATION as very one-sided ... one to where the aged, now too old to be "productive," are

regarded as defunct, slow and useless human beings who need our constant care and attention.

It seems, however, that the interaction between ourselves and our elders is not-at-all one-sided.

They are as vital to us as we are to them. For our elders are, in a very real sense, our "living links" with the past. They provide history, tradition and continuity to our lives. They furnish us with invaluable ties with the past, enabling us to better understand the present and more capably deal with the future.

They give a perspective on our origins and a unique type of wisdom which can only be obtained by accumulated years and accumulated experience.

Moreover, our elders, if given the time, will reintroduce the magic of the story into our lives, something which today is too frequently lost to movies and television.

### Quick— how much are you really worth?

Total up the value of your home, stocks, bank accounts, certificates of deposit, land, equipment, personal and business possessions, and the cash value of your life insurance. The total may be a pleasant surprise.

But estates have unpleasant surprises, too. Because estate taxes can take a hefty chunk out of what you want to leave your family.

Estate planning can reduce taxes by thousands of dollars. So see your attorney. And talk to your Country Companies agent about Country Life's full-time estate planning department.
